

Reading the Bible in one year

We read sections of the Bible each week which include the History, Psalms and Proverbs, Prophecy, The Gospels, and The Epistles.

Every week we meet to pray and discuss that week's reading.

We believe it's important to be alone with God every day, in prayer and reading His word.

The Word of God is a living thing! The Holy Spirit will give you discernment and understanding if you seek Him and His truth with all your heart!
